

Labor Day Regatta Needs Volunteers!

The Santa Rosa Sailing Club's Labor Day Regatta has been referred to as our Premier event. This event is one of our more expensive events due to Park Service Fees, insurance, porta-potties, trophies, and chase boat repairs. Due to large individual donations in the past we've been able to break even but we don't anticipate that income this year. As a result the individual entry fees will be higher this year. We'd also like to encourage volunteer participation to help with the organization, race committee, trophies, and chase boat.

The club has a cooperative history with the park service, to have this camp out on the beach. The fees, insurance and extra porta-potties add up to a formidable expense. The pricing schedule will be looked at in terms of having the true costs born by the participants. The regatta has monetary expense for the trophies but moreover there needs to be volunteers to make the racing even possible. Getting these volunteers has been a major challenge in the past few years. And this year, some of our dedicated volunteers have decided not to participate.

We have scheduled a general meeting on Friday, July 16, 7:00, at the Round Table Pizza at Guerneville Rd. to discuss the Regatta. Please plan to attend this meeting to make sure your input is heard.

LABOR DAY REGATTA ASSIGNMENTS

ADVANCE NOTICE FLYER:
(July 15)

PARK SERVICE COORDINATION: Mark Madigan

SHIRTS:
